BETWEEN
THE GOVERNMENT OF THE UNITED STATES OF AMERICA
AND
THE GOVERNMENT OF THE KINGDOM OF THAILAND
CONCERNING THE TRANSFER OF EQUIPMENT AND MUNITIONS FROM
UNITED STATES WAR RESERVE STOCKS TO THE GOVERNMENT OF THE
KINGDOM OF THAILAND**

The Government of the United States of America and the Government of the Kingdom of Thailand (hereinafter referred to as "the Parties"), have agreed as follows:

1. The Government of the United States of America shall transfer certain war reserve munitions and related equipment from the United States War Reserve Stock in Thailand (WRS-THAI) to the Government of the Kingdom of Thailand, and, in return, the Government of the Kingdom of Thailand shall provide, as hereinafter described, the Government of the United States of America certain support and services without charge and shall waive any and all claims arising under the Agreement Between the Government of the United States of America and the Government of the Kingdom of Thailand Relating to a War Reserve Stockpile Program in Thailand done at Bangkok, January 9, 1987, as amended, (hereinafter, "the 1987 Agreement").
2. The munitions and related equipment to be transferred to the Government of the Kingdom of Thailand from the WRS-THAI are listed in Appendix A. Munitions to be removed from the WRS-THAI and retained by the Government of the United States of America are listed in Appendix B.
3. The Government of the United States of America shall:
 - a. Transfer the munitions and related equipment listed in Appendix A to the Government of the Kingdom of Thailand in an "as is, where is" condition. Munitions and related equipment transferred to the Government of the Kingdom of Thailand shall not be considered withdrawn from WRS-THAI by the Government of the United States of America.
 - b. Transfer title to and accountability for the munitions and related equipment listed in Appendix A to the Government of the Kingdom of Thailand within one month after this Memorandum of Agreement enters into force.
 - c. Retain title to and accountability for the WRS-THAI munitions identified in Appendix B to be retrograded from Thailand.
 - d. Complete the retrograde from Thailand of the WRS-THAI munitions identified in Appendix B within three years of the date this Memorandum of Agreement enters into force.

4. The Government of the Kingdom of Thailand shall:
 - a. Within one month after this Memorandum of Agreement enters into force, accept title and accountability to the munitions and related equipment listed in Appendix A in an "as is, where is" condition and provide the Government of the United States of America with a receipt signed by officials of the Government of the Kingdom of Thailand authorized to accept title and accountability on behalf of the Government of the Kingdom of Thailand.
 - b. Not transfer title to, or possession of, the munitions and related equipment listed in Appendix A to anyone who is not an officer, employee or agent of the Government of the Kingdom of Thailand without the express prior written consent of the Government of the United States of America.
 - c. Use or permit the use of the munitions and related equipment listed in Appendix A solely for internal security, for legitimate self-defense, for participation in regional or collective arrangements or for measures consistent with the Charter of the United Nations.
 - d. Maintain the security of the munitions and related equipment listed in Appendix A and provide substantially the same degree of security protection afforded to such articles by the Government of the United States of America.
 - e. Maintain the munitions listed in Appendix B in accordance with Annex I and Annex III of the 1987 Agreement until removed from Thailand.
 - f. Provide without charge all necessary support and services to the Government of the United States of America for the retrograde from Thailand of the munitions listed in Appendix B, including, but not limited to, demilitarization, transportation from the storage facility to the unloading port, and stevedoring and port operations services.
5. In addition, each Party hereby waives any and all claims arising under the 1987 Agreement.
6. No costs incurred by a Party in carrying out the actions or activities described in this Memorandum of Agreement shall be charged to the other Party unless specifically authorized by a provision of this Memorandum of Agreement.
7. Until the transfer of all munitions and related equipment listed in Appendix A and the retrograde of all munitions listed in Appendix B of this Memorandum of Agreement is complete, United States government and contractor personnel shall be admitted to Thailand and shall be granted unimpeded access to the aforementioned munitions for all matters relating to storage, transfer, management, use, maintenance and retrograde of munitions.
8. Upon the entry into force of this Memorandum of Agreement, the United States Government - Royal Thai Government War Reserve Stockpile Program will be terminated. The 1987 Agreement will be superceded except for Annexes I and III to the 1987 Agreement, which shall be incorporated and become an integral part of this Memorandum of Agreement.

9. The obligations of the Parties under this Memorandum of Agreement shall be subject to their respective constitutional and legislative requirements and the availability of funds for such purposes.
10. If all of the munitions listed in Appendix B are not removed from the Kingdom of Thailand within two years and six months from the date this Memorandum of Agreement enters into force, then the Parties will immediately consult to mutually determine disposition of the remaining munitions. This Memorandum of Agreement may be amended by the written mutual agreement of the Parties.
11. Any disagreement regarding the interpretation or application of this Memorandum of Agreement by the Parties shall be resolved by consultation between representatives designated by each Party.
12. This Memorandum of Agreement shall enter into force upon signature by the Parties.

In witness whereof, the undersigned, being duly authorized thereto by their respective Governments, have signed the present Memorandum of Agreement.
